The Marina Venice Yacht Club

The Marina Venice Yacht Club is a non-profit organization of people who just like the Pirates of the Caribbean, like to hit the Island for a great time, in the Corinthian Spirit, of course! The club facility is located at:

4333 Admiralty Way
Marina del Rey, CA 90292
Tel: (310) 822-9082
www.mvyc.org

Our facility is in the first and second floors with use of the third floor Ball Room for special occasions. We invite you to see our club on the second floor, "G2 level" on Sunday evenings from 4 P.M. to 7 P.M.

What We Offer

Marina Venice Yacht Club is a highly dynamic training, cruising and racing organization. We actively encourage and provide training for our members in boat handling skills and seamanship. We cruise many times a year to points ranging from Dana Point to Ventura and Catalina. Especially Catalina! We take part in sail boat races with other clubs throughout the area as well. Our training is conducted by knowledgeable and certified local members and by outside providers, to give our members the finest training available. Our cruises are organized to give members the maximum benefit of the gorgeous scenery around California's coastline, while enjoying some of the finest weather and companionship in the nation. The healthy spirit of competition is very evident in our Predicted Log Racing, for which we provide special instruction. Our participation in sail-boat racing with other clubs in the area brings our members the opportunity to take part in another exciting area of competition.

Why Join a Yacht Club?

The companionship and shared Corinthian Spirit that can be had with good friends in a relaxed setting away from the office or workplace, enables our members to enjoy the sea and sun with fun. Children are welcome, and our meeting room and bar offer a private and calm place to gather one's wits before the week starts again. Your yacht club also offers membership in the Association of Santa Monica Bay Yacht Clubs, so that you can visit with other area boaters. We are a member of the Southern California Yachting Association, giving you access to races throughout Southern California (membership in a yacht club is necessary to compete in races). Our membership in the Santa Monica Bay Power Fleet and Southern California Cruiser Association gives our members great flexibility in meeting other power boaters in the area. Plus our reciprocal privileges with many yacht clubs throughout the area enhances your yachting destinations.

How Do I Get Information To Join?

We have Open House Socials every Sunday from 1600 hr to 1900hr. Potential new members are welcome to meet with us then or to contact us at (310) 822-9082. You can join by completing the membership application and including with it your check for initiation and the first quarter's dues. The membership committee will then contact you. We extend our warmest welcome to you and your family, and we look forward to your long association with us!
